

 **BAJAJ** KITCHEN APPLIANCES | 2020-21

NEW OPEN

**OPEN A NEW
WORLD OF
HEALTH AND
HAPPINESS.**

INTRODUCTION

At Bajaj Electricals, we've been on a perpetual journey towards building the future and opening your world to new possibilities and new ways of living. Through innovation, technology and nuanced understanding of the consumers, our new-age appliances and products are playing a meaningful role in the everyday lives of Indian families.

We understand food is not only a source of energy, but with human evolution it has evolved into a source of happiness too. A strong cup of coffee can give your groggy mornings a refreshing start. A small serving of tangy chutney with your wholesome meal can elevate your whole dining experience. A soft, delicious cake has the power to turn your bad day into a good one. Bajaj Kitchen Appliances have also evolved with time to turn your everyday food journey into a memorable experience by serving happiness.

*The claim of India's No. 1 Mixing Appliance Brand is based on an independent market research conducted by a 3rd party for the Financial Year 2019-20. The scope of mixing appliances include Mixer Grinders, Food Processors and Juicer Mixer Grinders.

KEY PRINCIPLES
DRIVING OUR
INNOVATION

HEALTH & HYGIENE

Our consumer's health is our utmost priority. The Nutri-Pro feature of our Mixer Grinders retain the nutritional value of your food. Our wide range of Mixer Grinders come with Antibacterial**, Easy-to-clean^^ and Anti-Stain## coating which prevents accumulation of dust and stains on them. Thus, making your food preparation healthy and hygienic.

CONVENIENCE

Designed to make your life easy, our products deliver maximum comfort and convenience. Our compact & modern appliances are equipped with features like Blend & Carry, Digital Input and Removable Accessories which make them very easy to use. Thereby enhancing your cooking experience with peace of mind.

AESTHETIC APPEAL

The contemporary designs and refreshing colour scheme of our products add visual appeal to your kitchen. The high precision craftsmanship and refined aesthetics are at the core of our design principles. This commitment reflects perfectly in our modern and innovative products, which make your life interesting.

**Tested against Escherichia coli & Staphylococcus aureus as per JIS Z 2801: 2010. On the coated body, the bacteria will be killed by 99.9% in 24 hours. **Tested for turmeric paste and the stain can be removed by washing/cleaning within 2 hrs. ^^Easyclean coating on mixer grinder body retains 1.5% dust against 9.7% on other mixer grinder body. (For PU MATT Clear): For Ivora Silky Crimson Red. Easyclean coating on mixer grinder body retains 1.3% dust against 9.5% on other mixer grinder body. (For PU GLOSSY Clear): For Ivora Silky Caramel & Beryl Persian Blue.
